Re: ABMHS Re-Opening Procedures

September 15, 2020

Dear Parents/Guardians,

Classes for Allison Bernard Memorial High School will begin on Wednesday, September 16th, 2020 for students in Group A, and Thursday for students in Group B. If you are still unsure as to whether your student is in Group A or Group B, lists are posted on ABMHS' website in pdf format along with on the Eskasoni School Board Facebook page. You may also call the school at (902) 379-3000 for more information.

On buses, all students and drivers must wear masks at all times. Class formats are a little different this year, with a 75 minute class duration. There will be a 5-minute transition period between classes to ease congestion in the corridors of the school.
